Organizational Structure & Strategic Framework

Version 2.0 - Enhanced Edition

Effective Date: 2026

APPROVED FOR IMPLEMENTATION

Executive Summary

The Amajuba Economic Chamber of Commerce serves as a catalyst for sustainable economic development across the Amajuba region. Operating through a structured governance framework and targeted sectoral interventions, the Chamber facilitates growth, innovation, and community empowerment.

This document establishes the Chamber's organizational architecture, delineates its three-sector economic development strategy (Primary, Secondary, and Tertiary), and operationalizes a comprehensive competency development framework designed to drive long-term prosperity.

Core Value Proposition:

"Developing integrated competence woven from knowledge, skills, and attitudes to drive economic transformation and sustainable livelihoods across all sectors within 3-5 years."

Section 1: Governance & Leadership Architecture

1.1 Organizational Hierarchy

The Chamber employs a cascading leadership model ensuring clear accountability, strategic alignment, and operational efficiency:
